Early set-up prior to race weekend for your hospitality tent/chalet is acceptable and encouraged. To arrange for early set up, please contact Anthony Golden at 423-989-6956. Your experience in the Hospitality Village is important to us and we want to do everything we can to make your visit with us as memorable and as fun as possible.

To avoid potential additional labor charges, please note the following:

- Store equipment/marketing materials within your tent in a location that does not prohibit the tent rental provider from setting up tables and chairs or forcing them to move the materials. They will attempt to move property off to the side, however, BMS or they are not responsible for loss or damage.
- Arrange to have custom interior decorations (flags, plants, etc. from ceiling) done prior to the tent rental provider setting up tables and chairs.
- Before leaving tent, please move table centerpieces to the sides in preparation for the tent rental provider removal and replacement of dirty linens.

UMBRELLAS

Please notify Anthony Golden ASAP if you will be using your own umbrellas for patio tables.

NO SMOKING POLICY

Due to fire codes within Hospitality Village, smoking is not permitted inside the tents. You may smoke in the open-air areas of the Village. If you have any questions, please contact me or see one of our customer service personnel in the Village on event day.
