

NOTICE OF RISK AND POLICIES

Bristol Motor Speedway (the “Speedway”) has taken enhanced health and safety measures—for you, drivers, crew, vendors, employees and other guests. An inherent risk of exposure to COVID-19 exists in any public place where people are present, including the Speedway and the event for which you are purchasing admission. COVID-19 is an extremely contagious disease that can lead to severe illness and death. People who show no symptoms may spread COVID-19 if they are infected and therefore any event where people are present may pose heightened risk of contracting COVID-19. If you are considered a high-risk person as defined by the Centers for Disease Control and Prevention (CDC), you may be especially vulnerable to COVID-19. You should evaluate your own risk in determining whether to attend any public event including the event at the Speedway for which you are purchasing admission.

As a condition of admission to this event at the Speedway you will be required to abide by all current facility rules, posted instructions, and protocols while on premises or risk ejection, including, but not limited to the following, which may be periodically revised in accordance with public health guidance or requirements, or other guidance or requirements:

- Guests over the age of 2 are required to wear a mask that covers the mouth and nose, except when seated in their assigned grandstand seat. Additional guidelines regarding wearing a mask may be provided.
- Guests may be required to submit to a non-contact temperature check prior to entry.
- Guests may be presented with a brief questionnaire prior to entry to confirm that they are not currently experiencing COVID-19-like symptoms and/or have not been recently exposed to the virus which causes COVID-19.
- Guests must maintain a distance of at least 6 feet between their travel party and others.
- Guests are reminded to wash their hands frequently with soap and water.
- For guests who may need an accommodation in order to comply with any facility rules and/or protocols, please contact our guest services team for further information.
- In addition, to further protect the health and safety of our guests and employees, you will not be admitted to the Speedway and you should stay home if within past fourteen (14) days you have:
 - Tested positive or have been deemed presumptively positive with COVID-19;
 - Sought testing to determine whether you might have COVID-19 due to contact with someone who tested positive for COVID-19, and have not yet received the results;
 - Been informed that you may have been exposed to Coronavirus or learned that you have been in the immediate vicinity of a person now known to have been carrying the Coronavirus; or
 - Experienced any of the following symptoms commonly associated with COVID-19, including cough, shortness of breath or difficulty breathing, OR two or more of any of the following: fever, chills, repeated shaking with chills, muscle pain, headache, sore throat, new loss of taste or smell.
