GENERAL INFORMATION

TICKETS

Please remember that **everyone (including infants & children) must have** a digital ticket in order to access Busch Light Banks & Brews. Please make sure everyone in your party is aware of this policy prior to arriving at the Speedway.

SMOKING POLICY

In accordance with Tennessee state law, all suites, grandstands, terraces, and restrooms at Bristol Motor Speedway and Dragway became non-smoking effective October 1, 2007. The general assembly of the state of Tennessee passed the "non-smoker protection act" and governor Phil Bredesen signed it into law. The act prohibits smoking in most public facilities including sports arenas. Guests - including suite guests - must limit smoking activities to our concourse area. Suites, grandstands & terraces, along with restrooms and suite hallways will be non-smoking.

BAG POLICY

We strongly encourage you not to bring any type of bag, but have outlined what is permissible. See Page 4 for more information.

BAG POLICY

To provide a safer environment for the public and expedite entry into Bristol Motor Speedway, MLB and Bristol Motor Speedway has a policy limiting the size and type of bag allowed into the stadium for the 2025 MLB Speedway Classic.

We strongly encourage you not to bring any type of bag, but have outlined what is permissible. For the 2025 MLB Speedway Classic, fans will be able to carry only the following style and size bag into the stadium:

- Bags that are clear and do not exceed 12in long by 12in high by 6in wide
- One-gallon clear plastic freezer bag (must not contain any food items)
- Small clutch purses or fanny packs, with or without a handle or strap, not exceeding 4.5in by 6.5in
- Exceptions will be made for medically and accessible necessary bags after inspection at any entrance (see below)
 - Fans will be permitted to bring bags that meet specific personal or medical needs, including medical bags no larger than necessary to transport essential medical equipment, breast pumps and nursing supplies, diaper bags for those accompanied by an infant or toddler, and other bags required to accommodate accessible needs. After medical bags are inspected at the gate, they will be required to be tagged by security staff. This tag will indicate the bag has been approved for entry into Bristol Motor Speedway.
- Prohibited items will not be held during the event and must be returned to your vehicle or disposed of

Prohibited items include, but are not limited to: purses or bags larger than a clutch bag, coolers, briefcases, backpacks (non-clear), luggage of any kind, camera bags or binocular cases. Fans may continue to carry approved items without a bag (e.g., binoculars, cameras and smart phones) into Bristol Motor Speedway. Please use only approved bags for the 2025 MLB Speedway Classic and ensure items placed into the clear bag are permissible.
